

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** Cecotec

**Supplier's address:** Contacto, Av. Reyes Católicos 60, 46910 Alfafar Valencia, ES

**Model identifier:** 02716

**Type of refrigerating appliance:**

|                         |     |                                |              |
|-------------------------|-----|--------------------------------|--------------|
| Low-noise appliance:    | No  | Design type:                   | freestanding |
| Wine storage appliance: | Yes | Other refrigerating appliance: | No           |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value     |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|-----------|
| Overall dimensions (millimetre)                                                     | Height | 840   | Total volume (dm <sup>3</sup> or l)                                                 | 80        |
|                                                                                     | Width  | 474   |                                                                                     |           |
|                                                                                     | Depth  | 440   |                                                                                     |           |
| EEI                                                                                 |        | 167   | Energy efficiency class                                                             | G         |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 41    | Airborne acoustical noise emission class                                            | C         |
| Annual energy consumption (kWh/a)                                                   |        | 135   | Climate class:                                                                      | temperate |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 32        |
| Winter setting                                                                      |        | No    |                                                                                     |           |

**Compartment Parameters:**

| Compartment parameters and values |    |                                           |                                                                                                                                                            |                            |                                                    |
|-----------------------------------|----|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
| Compartment type                  |    | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
| Pantry                            | No | -                                         | -                                                                                                                                                          | -                          | -                                                  |

|                                  |     |      |    |   |   |
|----------------------------------|-----|------|----|---|---|
| Wine storage                     | Yes | 80,0 | 12 | - | - |
| Cellar                           | No  | -    | -  | - | - |
| Fresh food                       | No  | -    | -  | - | - |
| Chill                            | No  | -    | -  | - | - |
| 0-star or ice-making             | No  | -    | -  | - | - |
| 1-star                           | No  | -    | -  | - | - |
| 2-star                           | No  | -    | -  | - | - |
| 3-star                           | No  | -    | -  | - | - |
| 4-star                           | No  | -    | -  | - | - |
| 2-star section                   | No  | -    | -  | - | - |
| Variable temperature compartment | -   | -    | -  | - | - |

#### For wine storage appliances

Number of standard wine bottles 34

#### Light source parameters:

Type of light source -

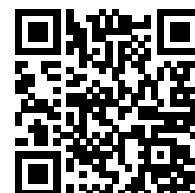

Energy efficiency class -

**Minimum duration of the guarantee offered by the manufacturer:** 36 months
