

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

**Supplier's name or trade mark:** HISENSE

**Supplier's address:** Gorenje gospodinjski aparati, d.o.o., Partizanska cesta 12, 3320 Velenje, SI

**Model identifier:** RB3B250SAWE1

**Type of refrigerating appliance:**

|                         |    |                                |          |
|-------------------------|----|--------------------------------|----------|
| Low-noise appliance:    | No | Design type:                   | built-in |
| Wine storage appliance: | No | Other refrigerating appliance: | Yes      |

**General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                                                |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|------------------------------------------------------|
| Overall dimensions (millimetre)                                                     | Height | 1 772 | Total volume (dm <sup>3</sup> or l)                                                 | 252                                                  |
|                                                                                     | Width  | 540   |                                                                                     |                                                      |
|                                                                                     | Depth  | 545   |                                                                                     |                                                      |
| EEI                                                                                 |        | 100   | Energy efficiency class                                                             | E                                                    |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 35    | Airborne acoustical noise emission class                                            | B                                                    |
| Annual energy consumption (kWh/a)                                                   |        | 235   | Climate class:                                                                      | extended temperate, temperate, subtropical, tropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 10    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 43                                                   |
| Winter setting                                                                      |        | No    |                                                                                     |                                                      |

**Compartment Parameters:**

| Compartment type | Compartment parameters and values         |                                                                                                                                                            |                            |                                                    |
|------------------|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------------------------------------------|
|                  | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C)<br>These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24h) | Defrosting type (auto-defrost=A, manual defrost=M) |
|                  |                                           |                                                                                                                                                            |                            |                                                    |

|                                  |     |       |     |     |   |
|----------------------------------|-----|-------|-----|-----|---|
| Pantry                           | No  | -     | -   | -   | - |
| Wine storage                     | No  | -     | -   | -   | - |
| Cellar                           | No  | -     | -   | -   | - |
| Fresh food                       | Yes | 176,0 | 4   | -   | A |
| Chill                            | No  | -     | -   | -   | - |
| 0-star or ice-making             | No  | -     | -   | -   | - |
| 1-star                           | No  | -     | -   | -   | - |
| 2-star                           | No  | -     | -   | -   | - |
| 3-star                           | No  | -     | -   | -   | - |
| 4-star                           | Yes | 76,0  | -18 | 6,0 | A |
| 2-star section                   | No  | -     | -   | -   | - |
| Variable temperature compartment | -   | -     | -   | -   | - |

#### For 4-star compartments

Fast freeze facility Yes

#### Light source parameters:

Type of light source LED

Energy efficiency class G

**Minimum duration of the guarantee offered by the manufacturer:** 24 months

#### Additional information:
